2014 VINTAGE
Wine style: This superb small 2.90-hectare vineyard in Haut-Médoc is given the same attention as the vineyards of Château Dauzac in terms of grape-growing and vinification. Its singular soil results in a complex wine where Cabernet Sauvignon fully expresses itself.

This is an extremely well-balanced wine full of personality characterized by fruity and spicy notes.

Weather: An atypical climate with a mild, rainy winter and an early spring with mild temperatures and cool nights. The month of May was mixed with cool periods and 30°C temperatures. Flowering took place in good conditions with some grape shatter for the Merlots, promoting the aeration of the bunches. A disappointing summer with bad weather slowed down vine growth. The autumn was fabulous; it was dry and warm - the warmest on record for 100 years - making it possible to concentrate the grapes and achieve exceptional ripeness. We were able to harvest a nice volume of grapes with peace of mind.

Blend: Cabernet Sauvignon 61% / Merlot 39%.

Consulting Enologist: Eric Boissenot

TASTING NOTES
Appearance: garnet red with purple tints
Nose: A powerful slightly peppery and floral nose of red fruits
Palate: A nice pairing of ripe fruits and elegant tannins.
The mouth is very pleasantly balanced, suggesting that the wine will be delightful if tasted in two years.
